

BABY SHOWER

Book Request Cards

We do have something
different to ask,
We hope it's not
a difficult task.

Perhaps instead of a card
(they're so much money!),
You could pick out a small book
for our little honey.

Sign your name inside
with a note,
And one day our little one
will read what you wrote.

So pick out a favorite story—
old or new,
and each time we open it,
we'll think of you!
